

Corona Virus Protection Policy Emerson Boiler - 623.847.4788

Due to the Corona Virus, Emerson Boiler has instilled a Corona Virus Protection Policy for our courses as your safety and health is important to us.

Emerson Boiler will provide face masks, gloves, and hand sanitizer to every student.

Face masks are required at all times.

Temperature checks will be conducted every morning before the start of class.

Social distancing will be maintained as far as seating and we are limiting our class sizes to maintain this distancing.

For hands on training on our training panels, gloves are required.

We will also be following any state specific guidelines for safety in addition to these policies.

Class areas and any common areas will be sanitized every day.

We do encourage our students to practice hand hygiene as directed by the CDC and Emerson Boiler staff will be following those hand hygiene guidelines.

We care about your health and it is of the utmost importance to us that our students are protected.

If you have any questions and or concerns, please do not hesitate to contact our office at 623.847.4788.
